

Fire-Ed Up Choose a Fire-Ed Up Scenario!

Evaluate the three Scenario's

Now you have formed teams you need to decide which of the three Fire-Ed Up scenarios will be best to select. Download each of the scenario briefs and read them carefully. Are there any scenarios that stand out? Do you have team members with interests or skills in any of the areas? Briefly describe each scenario in the boxes provided and use the pros and cons boxes to evaluate each scenario.

Scenario 1: New technologies driving bushfire innovations

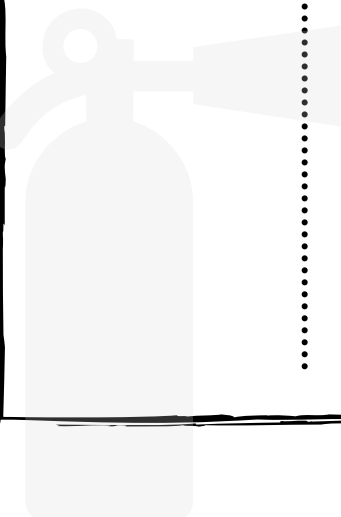

Scenario 2: Strategies to protect human life & property
