

Fire-EdUp Design Thinking

Nick De Leon Design Thinking - Exercise Part 1

Task: In 2 minutes team members individually brainstorm different ideas for the scenario you have chosen. Produce annotated sketches to describe your ideas.

Share

Students to hold up their drawings and share their ideas with the group.

Discussion: Did anyone come up with any wacky ideas?

Design Thinking

Nick De Leon Design Thinking - Exercise Part 2

Task: Now in 9 minutes combine your ideas that you developed individually into 9 new ideas.

Evaluation: Now evaluate each of the different ideas, ranking them from 1 to 9.
