

Fire-EdUp Iteration - Design Drawings

Activity: Draw a top view and a either a side or front view of your final design idea.

TOP VIEW

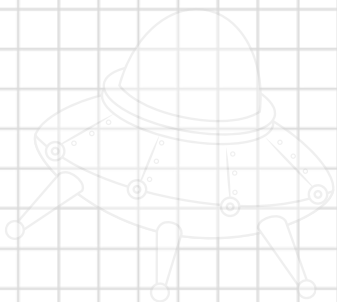

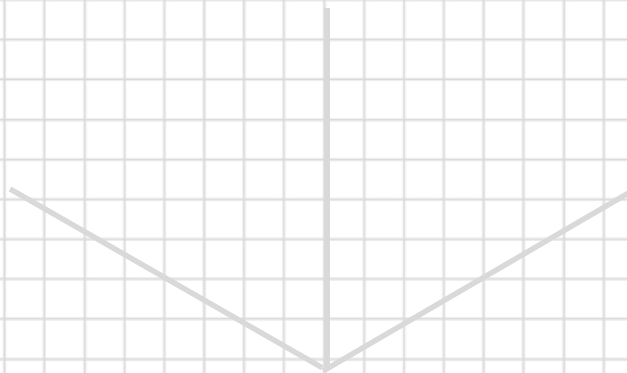

FRONT/SIDE VIEW

Fire-Ed Up Iteration - Design Drawings

Activity: Pictorial views

Sketch one small part of your iterated design as a pictorial view.

ISOMETRIC VIEW

Iterated Design

Annotate your design using notes with arrows. Explain the highlights of your design.

Activity: Using the isometric grid below try drawing/sketching a more detailed example of your iterated design. Include some measurements.
